

REMARKS

Rejection Amendments

The sole remaining ground of rejection is the rejection of method claims under 35 USC §112, first paragraph, on grounds of alleged lack of enablement. Specifically, while acknowledging that the claims were enabled for treatment of certain types of cancer, the claims were asserted to not be enabled for the treatment of all tumor diseases, AIDS, Alzheimer, and degenerative diseases.

Applicants respectfully disagree with this rejection. However, for purposes of furthering prosecution, method claims 8-11 and 15-18, the only rejected claims, are cancelled. Thus, the application is in condition for allowance.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,

Brian P. Heaney (Reg. No. 32,542)
